## EPIC Music Tuition and Financial Assistance

EPIC Music provides access to high quality music instruction, seeking to ensure that any interested young musician in the St. Johnsbury area can participate in a music ensemble, regardless of their ability to pay tuition. Each student in EPIC Music receives more than \$2500 worth of services annually. In order to ensure the sustainability of our program as we grow to include more interested students, we have made the difficult decision to institute tuition fees.

Our generous donors make it possible for tuition to be subsidized for all students, and tuition covers only a small portion of EPIC Music’s total expenses. We offer tuition assistance to any family that needs it. Please review the tuition chart below and select the tuition payment that works for your family’s budget. Full tuition may be paid online with a credit card ([catamountarts.org/education/epic-music](http://catamountarts.org/education/epic-music) ). If you wish to receive tuition assistance, staff will make arrangements with you.

**A yearly registration fee of \$25 is required of all students prior to October 21. Please talk with Anne or Lewis (see below) if you are unable to pay this fee in full before October 21.**
